

# SHASHI TIWARI

## PROFILE

I am a developer and like to develop something which add some value to society. In lockdown our classes went online. It was hard to take attendance manually. I created a program which tells about absentees list. I love to solve real world problem.

## EDUCATION

### BSC (Math, Statistics & Computer Science)

2018-2021

I have scored nearly 8.6 CGPA in my BSC program. I love to build with the help of programming languages. On Science Day, our Campus organized a Coding quiz where I scored 3<sup>rd</sup> position.

### 12<sup>th</sup>

I scored 55% in my 12<sup>th</sup> with the subject Math Chemistry and Physics from D.A.V College Bihar.

### 10<sup>th</sup>

Got 74.8% in my 10<sup>th</sup> standard from Bihar.

## SKILLS

Programming language: JavaScript, C basics, PHP

DBMS: MySQL, MariaDB
